

Fundraising Agreement

Classic Auto Spa offers the opportunity for local organizations and groups to help raise funds in a way that is easy, exciting and most importantly of all profitable. We require any group wishing to take advantage of our program to fill out a submission form. Upon completion and review of the form, we will be contacting the Fundraising Administrator as chosen by your group. This administrator will be in charge of all processing, distribution, collection and execution of the Car Wash Coupons. Before we can distribute the coupons, Classic Auto Spa will need a copy of a current ID, and a credit card to be left on file for security purposes. There is no money due at the beginning of the program, and the credit card will only be charged if the event that all monies are not returned, or any left over coupons are not accounted for at the end of the program. Each group will have 30 days to sell a minimum of 100 coupons. The coupons are good for 1 Classic Wash, at a cost of \$20.00 (Regular \$21.95). For every coupon sold at full price, the group will keep \$10, meaning with just 10 members selling 10 coupons a piece, \$1000 goes directly to your organization. At the end of the program, Classic Auto Spa is owed \$10.00 for each wash coupon given to the group. On the scheduled return date, all unsold wash tickets, and the monies owed for the sold tickets must be turned in. All lost or unreturned coupons will be considered sold and will be subject to the \$10.00 charge. Payment in full is due on the 30th day of the selling period. Any copies or duplications of tickets will be deemed fraudulent, and that group will lose any opportunity to further participate in our fundraising program.
